Edmonton I.S.K.F. Newsletter

神

Letter from Sensei Sean

Once again our attendance at Provincials was a resounding success and congratulations once again to all of the athletes who took part. Even if you didn't medal, your participation is of the essence and is also a very important part of your training!

I am extremely lucky to have so many wonderful people in my Dojo and I am reminded of this each and every time that we attend these tournaments and I see how our athletes perform and more importantly how they conduct themselves during the tournament; thank you, you make me feel very proud of Edmonton I.S.K.F.

Our focus now shifts to our upcoming seminar and grading. Over the next little while I'll be taking a close look at all of our karateke and making sure that they are ready to grade.

As you are all aware, unless I am totally confident that they are ready, I do not put them through the grading process. I would never intentionally set anyone up for failure! I have heard it say that it "builds character", in my mind, it destroys it!

This time, unfortunately, Yaguchi Sensei is unable to join us, however, we are extremely lucky to have Sensei David Jones replacing him. Sensei Jones is able to test up to and including Nidan level.

We have been lucky enough to have Sensei Jones come and do seminars for us before, so we already know that we have a fabulous training session to look forward to and an equally exciting grading.

I'll be placing all relevant information regarding grading on the back of this Newsletter along with the address and map of the Staff College, even if most of you have already been there before. Thanks again everyone and see you all on the 18th!

Sincerely,

Sean Carter, Sensei
